Due to the Covid 19 virus the Foreign and Commonwealth Office regrets that it is currently unable to accept documents for legalisation or to apply apostilles after 23 March 2020. We will endeavour to resume services as soon as possible.

For UK documents you have received, you can check the validity of a signature or seal by sending a scanned or photographed copy of the signature to FCO.signaturecheck@fco.gov.uk. Where we can verify we have this signature or seal on record we can send the receiver of the document a provisional confirmation that this appears genuine.

We hope this provides some assurance whilst these exceptional circumstances persist.

A handwritten signature in black ink, appearing to be 'D Smith'.
